How Parents Can Help

- Ensure your child arrives on time every day.

Below the bubbles are four horizontal lines for writing. At the bottom, there is a line for 'Date' and a line for 'Signed'. Reading in Year

Learning to read is one of the most important developmental achievements in a child's life. It sets the stage for later school and life success.

Parents can play a key role in supporting the development of children's early language skills and can contribute towards a love of reading.

Please aim to listen to your child read for a short time every day.
